

Articulation Agreement between SUNY Sullivan and Sage College of Albany

Objective

This articulation agreement is intended to facilitate the transfer of qualified students at Sullivan County Community College currently enrolled in the A.A.S. degree in Criminal Justice into the B.S. Program in Law and Society at the Sage College of Albany. Counselors at Sullivan County Community College can use the information in this agreements to advise current students as they express an interest in the B.S. Law and Society program as to which Sullivan County Community College courses should be taken prior to application for transfer.

Terms of Agreement

This comprehensive agreement, once signed will be effective immediately and must be reviewed and re-approved in the same manner at least once every two years hereafter, in order to remain in effect.

The procedure of review and re-approval shall be as follows:

- The latest available catalogs of the institutions are reviewed by the Law and Society Program Coordinator and the revised draft is prepared by the Program Coordinator.
- A final draft is signed by the department chairs of both institutions and by the appropriate administrator of both institutions.

All of the most recently published rules for accepting transfer students into programs at SCA apply. The agreement supplements, but does not supercede or replace what was written in the latest SCA catalog.

SCA agrees to accept and transfer into the B.S. program 66 credit hours earned by students at Sullivan County Community College, who take the courses listed below. Only courses of earned grades of C- or better will transfer, and students who attain a combined Grade Point Average (GPA) of a 2.5 in courses will automatically be admitted into the SCA program.

This agreement covers courses taken at Sullivan County Community College only. If students from SCCC have credits on their transcripts from other institutions, the published SCA rules for accepting transferred credit will apply to those credits. If students from SCCC wish to transfer without having completed all of the courses in this agreement, they are assured that the identified equivalent courses with C-or better will transfer, but, outright admission into the program will not be guaranteed. If admitted, junior status at SCA will be attained if 54 or more of the credits are transferred. All transfer students must meet with a Law and Society advisor to plan their courses and to determine how many semesters are required for degree completion. Students who follow the prescribed courses in the agreement and transfer into the Law and Society program, should complete the B.S. in two years of full time study.
