Basketball Coaches Association of New York – Section IX Chapter

9th Annual Sullivan County BCANY vs. Cancer Classic February 3-4 – SUNY Sullivan

We are offering a great opportunity to be featured in our 2017 Sullivan County BCANY vs. Cancer Classic program! Whether you are marketing your business or congratulating your athlete, this is a great way to get your message in front of hundreds of people at the game and other media outlets. A Special Recognition page will also be included in the program for those we honor and remember. All of the money raised supports our fight against cancer and helps supports cancer patients here in Sullivan County. Proceeds from the Classic will be donated to the Oncology Unit at Catskill Regional Medical Center; a portion of the proceeds will go to Rayanne Rysinger.

Please consider placing an ad, a congratulatory message, or an In Honor Of/In Memory Of line in our program. Pricing and other information are attached. Please complete the bottom portion of this form and send it along with your payment. For your convenience you can e-mail or fax your ad as well. Thank you for your generous support and contribution. We hope to see you at the games on Feb. 3-4 at SUNY Sullivan.
