

Transfer Students

A student is classified as a transfer student if he/she has previously registered at any other regionally accredited college or university, regardless of the amount of time spent in attendance or credit earned. In addition to the high school transcript, all courses eligible for transfer college credit must be received, evaluated, and approved by the Admission's Office. All transcripts must be received within one term or no registration will be allowed for subsequent terms. It is important for students to have transcripts submitted as early as possible to allow evaluations to be completed before registration. Transcripts may be either sent directly to SCCC from the issuing institution or be hand-delivered in a sealed envelope sealed by the issuing institution. Transfer credit may be accepted from degree-granting institutions that are fully accredited at the collegiate level by their appropriate regional accrediting agency.* Courses from non-regionally accredited institutions may also be transferred on a case by case basis. Students with college credit from colleges outside the U.S. must have a course-by-course commercial evaluation from an accredited company (listed online at www.naces.org/members.htm). Appeals for course evaluations should be addressed to the Dean of Enrollment Management and Student Development.

Students may transfer credit from other institutions into SCCC; however, at least 50% of the program or certificate credit must be earned at SCCC. SCCC accepts on transfer only those courses completed at other regionally accredited institutions with grades of C or higher. Plus (+) and minus (-) designations will be removed from all transfer courses.
