Policy No: 3.02

ALCOHOL AND DRUG POLICY

1. The College is committed to maintaining a drug free campus. The College expects all members of the College community to be responsible for their own behavior within the context of State and Federal laws and College regulations. Drug and alcohol laws will be enforced on the campus.
2. Through existing disciplinary procedures, the College will impose disciplinary sanctions upon students and employees, who unlawfully use, possess, sell or distribute drugs, or unlawfully use or abuse alcohol on college property. This policy applies within the grounds, buildings, or any other facility of the College. Students and employees who violate alcohol and drug laws will be subject to referral by the College for criminal prosecution.
3. The Human Resources Office and the Center for Student Development Services have information on counseling and rehabilitation services/programs.
4. For more information, refer to the SCCC Substance Abuse Policy (*Cross Reference: Personnel Policies, Policy No. 4.25*)

SERVING ALCOHOL ON COLLEGE CONTROLLED PROPERTY

1. The College possesses a valid liquor license issued by the New York State Liquor Authority for the Paul Grossinger Dining Room. Therefore, it is legal to sell and consume alcoholic beverages in this location.
2. If the Administration approves the serving of alcoholic beverages at another on or off campus venue (besides the Dining Room), a special permit may be obtained for that event through the New York State Liquor Authority.
3. The burden of proof for showing legal age is on the alcohol consumer. No alcohol will be served unless clear evidence of legal age is presented.

4. It is the responsibility of those in charge of the event to assure that no one who is under age is served or consumes any alcoholic beverages.
5. Anyone who is deemed to be intoxicated at a College sponsored event will not be allowed to consume any additional drinks.
