
Policy: Missing Student Policy

Policy No: 3.21

Approved: March 2006

MISSING STUDENT POLICY

Purpose

Sullivan County Community College is required by the Higher Education Act amended August 14, 2008, to establish protocol for students living in campus housing and missing more than 24 hours and to provide guidance to employees handling cases involving missing persons.

Policy

The Sullivan County Sheriff's Office is responsible for investigating reports of missing person(s). The SCCC Office of Public Safety may assist the police department by providing it with information on the missing person(s).

Scope

This policy pertains to all current students of Sullivan County Community College living in the Lazarus I. Levine Hall and ECO Green. All students are encouraged to voluntarily provide contact information to the College in the event there is a report of a missing person.
