COMMUNITY AND PUBLIC FEEDBACK

There was no public comment.

FACULTY COUNCIL REPRESENTATIVE TO THE BOARD REPORT

- Anne Ruszkiewicz
 - Reported
 - Faculty Council met on January 26th
 - The updated Academic Calendar was approved. The proposed Academic Calendars for 21/22 and 22/23 were postponed until the next FC meeting in February. The concerns are with the post labor day start date which leads to a three day final exam period.
 - Draft ILO's were reviewed.
 - Faculty are looking forward to getting back to campus and in the classrooms.

CHAIRMAN'S REPORT

- Chairman Hackett
 - Reported
 - The Strategic Planning is underway. Dr. Jeffrey Keefer is doing a great job leading the process.
 - The Sustainability Committee, led by Larry Reeger, is doing a tremendous job and amount of work across campus.
 - Unable to attend the NYCCT meeting due to a conflict with this Board Meeting.

TRUSTEE REPORTS:

Finance and Development Committee:

- P. Guenther, Treasurer
 - Reported
 - Committee met on Tuesday, 01/24/20
 - Spring Enrollment is down 24% from last spring and at 72% of spring goal.
 - The committee reviewed the Financial Statements and discussed the reports.

Operations and Facilities Management:

- P. Adams
 - Reported
 - This working group now attends the Sustainability Committee Meeting as many of their projects are related to the Operations and Facilities Management and fit into the Campus Master Plan.
 - Working on a mowing and haying schedule to promote bird habitats on campus.
 - The daycare project is ongoing.
 - There is an effort to develop a trail network on campus to include what currently exists and build on it.

- The sustainability plan has been approved.
- Hope Farm harvested 10,000 pounds of produce in 2020. Roughly 1,000 pounds have been donated to local food banks. The MOU with Hope Farm has been signed to continue our partnership.

Community Partnerships and Workforce Development:

- E. Davis, Dean of Communications and Admissions
 - Reported
 - Met with Resorts World Catskills to discuss internship opportunities and a potential donation of a Food Truck that would be used by the Catskill Hospitality Institute and be used as a mobile classroom.
 - We have a 2020 List of Businesses in the county that hired our students including, Garnet Health, Bethel Woods, Crystal Run and many others. We will work on an alumni list of those students to remain in contact with them.
 - Narrowing down training courses through Ed2Go and how we can possibly offer partial credit for students on matriculation to degree programs.

Academic and Strategic Planning:

- P. Coombe
 - Reported
 - Strategic Planning meetings continue.
 - The SWOT analysis is underway.
 - The strategic plan should be ready for board approval in May.

Presidents Report:

- Jay Quaintance, President
 - Reported
 - Enrollment is down 23% today from this time last year. We are down 153 students and 92 of those students are student athletes. We can contribute this to not being able to return to competition for mens and womens basketball.
 - The discussions regarding the permanent 20% cut in state support and 20% cut in students tap and excelsior has been restored based on the most recent Governor's proposed budget released last week. If this budget goes through we may see a 5% cut in state support next year, but it would be restored after the year. This is all tentative until the state budget is passed.
 - We received additional CARES Act Funds through the second stimulus package that was passed. We received a little over \$500,000 for students and 1.5 million in Institutional Funds. We believe we will be able to use this for some operating expenses due to lost revenue, however we are still awaiting guidance from SUNY.
 - Spring Reopening Plan approved by SUNY. Our new plan increases pool testing from every other week to every week for students. Staff testing is

voluntary, we are working with both unions to discuss mandated testing for employees.

- We are working with the Healthy Kids Program to open the daycare on campus to the children that do not need the egress doors. This would be for children ages 2 years 9 months to 4 years old.
- Energy Audit is complete. The county is committed to fund this through financing through NYPA and NYSERDA, which will be eligible for capital match funds. The county would take out the loan for 50% of the repairs and the other half would come from the state match.
- In discussion with a company to bring Electric Vehicle Charging Stations to the college.
- Working with Resorts World Catskills to renew our partnership and a potential donation of a Food Truck which could also qualify for match funds.
- Search open for the Dean of Student Success and Workforce Development.
- Exploring a new Employee Assistance Program for the college.
- Wellness Efforts are continuing and we are expanding our efforts by opening the Field House to employees.
- Early College High School with the Homestead is moving forward with the State Education Department approval process.

Policy: Gender Neutral Bathrooms Policy

Policy No: 1.04

Approved: March 2021

BACKGROUND:

On December 23, 2020, a landmark civil rights measure became law in New York State by making all single stall bathrooms in the state gender neutral in order to protect transgender, gender nonconforming, and non-binary (TGNCNB) individuals from discrimination and harassment. The law goes into effect March 23, 2021, which means the campuses should take immediate steps to update all applicable “Male” and “Female” signage to “Gender Neutral.”

GENDER NEUTRAL BATHROOMS POLICY

All public single-occupancy bathroom facilities at SUNY Sullivan shall be designated as gender neutral for use by no more than one occupant at a time or for family or assisted use. Such gender neutral bathroom facilities shall be clearly designated by the posting of such on or near the entry door of each facility. For purposes of this section, single-occupancy bathroom shall have the same meaning as paragraph (d) of subdivision one of section one hundred forty-five of the public buildings law.

This policy shall constitute written adoption of the requirements of subdivision twenty of section three hundred fifty-five of the education law.
