Current Address:	
Primary Phone:	Alternate Phone:

It is acknowledged that the Family Educational Rights and Privacy Act (FERPA) mandates that records of students enrolled in college courses be protected from access by essentially anyone other than the student, members of the college community who have a need and right to access information, and certain government agencies as permitted by law.

By completing this form I partially waive my right of privacy and will allow the designated person(s) or agency access to my information as indicated. Unless I revoke or modify this permission in writing, the waiver will expire at the end of the sixth consecutive semester following the date of signing as long as I remain enrolled at SUNY Sullivan, or at the end of any semester during which I withdrew.

This form may not be used to waive privacy to medical, counseling, or disability information. Waivers for these three items must be presented to the appropriate office.

****This form MUST be notarized OR completed in the presence of a SUNY Sullivan staff member before it will be processed. SUNY Sullivan has licensed notaries on staff. Please contact the Dean's office for a complete list.**

List person(s) and/or agencies below in which you are granting permission to access your education record. (limit 2 per student, should you need to add more please use a second form.)

****Note that information obtained will strictly be used to authenticate the identity of the requesting party, and to give the college information needed to enter into our FERPA database. ****
